| <b>Site Inventory Date</b>                                     | <b>Known / Potential Environmental Concerns</b>   |   |
| 09/07/2006   | Comments: 7 automobiles, 4 water heaters, glass, untreated wood, wire, tires, barrels, plastic gas cans, lawn mowers, radiators, auto batteries, engines, and huge unidentified metal container (looks as if it held fuel or some other substance). The site consists mainly of auto parts and other machinery. Located across from the river where there may be some fishing spots near the river. |   |
